FINISHING

Flip Flop Thong

Begin by joining thread with a sl st to thong as follows: Insert hook under thong, and catch slipknot in thread with hook; pull up loop. Then, working *over* the thong, yarn over and pull a loop through loop on hook; sl st made. The thread is now attached to the thong. Slide the sl st down to one corner of the shoe.

Sc around the rest of the thong as follows: Insert hook under thong and draw up a loop. Yarn over and draw through both loops on hook; sc made. Continue single crocheting around thong until entire thong is covered. Finish off. Repeat for other side of flip-flop, and second shoe.

Flowers

Sew large flower onto center of flip-flop. Sew one small flower on each side of the large flower. Sew one leaf on each outer edge of the small flowers. Repeat for second shoe.

Weave in all ends.
