FINISHING

Arrange motifs as shown in diagram, paying special attention to placement of sharp and soft corners of each motif. Pin into place. Whipstitch together, easing motifs into shape; *stitches will not align exactly.*

EDGING

With Color A, sc evenly around front and back panels, side panel, top panels, and strap.

LINING

Lie front and back panels and side panel flat on fabric to be used for lining. Use these pieces as templates and cut fabric around the pieces, leaving a ¼-inch seam allowance. Pin front and back lining panels to side lining panel (side panel wraps around bottom of front and back panels). Sew together along sides and bottom, leaving top open.

ASSEMBLY

Sew one of each top panel to either side of the zipper as per instructions that came with the zipper.

With Color C, sc back panel to side panel, then front panel to side panel, easing panels into place (side panel wraps around bottom of front and back panels). *Stitches will not align exactly.* Leave top un-worked. With top panels zipped closed, sc top into place. Whipstitch strap to tops of side panels.

With Color C, sc evenly across both un-sewn edges of strap.

Unzip top of purse and hand-sew lining into place.
